

Jammies, slippers, cocoa cups,  
Coats and blankets—bundle up!

Carols on the radio,  
Down the driveway, here we go.  
We hope, we pray tonight's the night . . .  
We'll find the world's best Christmas lights!

Bright white bulbs in tidy rows,  
Cozy candles cast a glow.  
Lighted wreath on bright red door—  
Love it! But we still want MORE!
