

Wonderful World

(Genesis 1-2)

God filled the seas with enormous whales and bright, shiny fish, leaping dolphins and wobbly jellyfish. Then he filled the skies with beautiful birds of every color imaginable. Next he made animals of all shapes and sizes—spotted cheetahs that could run like the wind, slow tortoises that carried their homes on their backs, huge elephants with long trunks, and many, many more.

Last of all God made man and woman and told them to take care of this wonderful world and all the living creatures on it.

God was pleased with all he had made and done, so on the seventh day, he rested and made that day a special day, a day to stop working and give thanks.
