

# God Makes the World

(Genesis 1:1–31)

In the beginning God created the world. He made the moon, the stars, the birds, and the trees. He created whales and elephants. He made people too. They were named Adam and Eve. God is our Creator, who made everything!

parrot

the sun

How many apples can you paint and count?

# Jesus Loves Children

(Mark 10:13–16)

Jesus loves all children. He called Himself the “Good Shepherd.” Like a shepherd, He will take care of us and guide us. Like a shepherd, He will keep us safe from evil. Jesus loves you. He will always find you and bring you back to Him.
