

There was a man named Noah. He loved God and believed in Him. But the other people in the world had forgotten God. They were mean to one another.

God said, "Noah, I am going to send a flood over all the world. But since you love Me, I will keep you safe. I want you to build an ark for your family and for the animals."

Noah and his family and the animals were safe inside the ark. When the rain stopped, Noah sent out a dove to see if it could find dry land. One day it returned with a green leaf in its beak.

Noah knew it would soon be safe to leave the ark and go out into the world again.
