

LOVE:
caring deeply
for someone

Baby Love cares for those around her.

She knows she is loved—
by family, by friends, by God.

Being loved makes her
feel happy and safe.

She gives wet kisses and warm hugs.

Baby Love shows love to others too.

"Do
everything
in love."

—1 Corinthians 16:14 ICB

She shares her toys and books—
even when she doesn't really want to.
