When
Worry
Whispers

ILLUSTRATED BY Marcin Piwowski

Worry wiggles into your thoughts, and that's where it tries to stay.

It can make you **UNHAPPY.**

It can make you **AFRAID.**

Worry can even make your tummy ache!

But God Is bigger and stronger than Worry could ever be. His promises will help you **DEFEAT WORRY** every time . . .

Because **WORRY**
is **NO MATCH**
for **GOD!**
