

THE STORY OF

# the Wise Men

Written by Patricia A. Pingry

**ONE NIGHT** many years ago,  
angels appeared to shepherds.

They said, “We have good news!  
A baby is born in Bethlehem who  
is Jesus, Christ the Lord!”

The shepherds said goodbye to their sheep. They ran across the fields.

They raced to a manger in a stable to worship Jesus.

Far away, wise men scanned the sky. They looked for comets. They searched the stars. One night they saw a new star—a supersized star!

Night after night they watched the star move across the sky. “We must follow it,” they said.
