

So God created humans in his own image. He created them to be like himself. He created them male and female.

GENESIS 1:27 ERV

God Makes People

God wanted to share His big, beautiful world with someone special. So God made a man named Adam and a woman named Eve. Adam and Eve were different from all the other things God made. They could talk to God and He could talk to them. God wanted Adam and Eve to enjoy the fruit from the trees He made. He wanted them to walk by the

river and see the pretty flowers. God made Adam and Eve to be like Him. Everything God made was special, but Adam and Eve were the most special of all.

Did you know you are special too? God made you so you can talk to Him. He made you to enjoy all the things He made! —C.B.

How are people
different from animals?

PRAYER

Lord, You made me special too.
I'm glad that I can talk to You.
