Messages concerning the Blood of Jesus are rare in this time of the Church. Even though the message of the Blood seems to be rare, it is anything but rare. The Blood might not be spoken in the language of men, but it is a constant subject being spoken of in Spirit language. However, the full aspect of faith is man's spirit and soul and body to be in agreement with the Truth that sets men free. This book is likened to the interpretation of the language of the Spirit so that man's spirit, soul, and body can cooperate with God's Truth.

I perceive that this subject and book will become a daily part of the believer's devotion. Reading this book has awakened a deep hunger in me to constantly believe, think, and speak in what the Blood of Jesus Christ has done and is still doing for me. What a

timely devotion and an excellent layout of teaching concerning the power of the Blood of Jesus.

I have known Ginger for more than 18 years as a friend and mentor. She is the first person I turn to when I need solid Biblical wisdom or advice. She has an amazing gift for the prophetic, as well as being one of the greatest prayer warriors I know of. I can honestly say when she prays, all of heaven stops to listen. Her gifts and strengths are not just God-given but have been tried in the fires of personal victory time and time again! She knows what spiritual warfare looks, smells, and feels like. When there is a battle at hand, no matter how big, she runs straight toward it with sword and shield at the ready. Ginger is one of the rarest of believers who easily demonstrates what it means to be called a child after God's own heart! I am truly blessed and honored to be called her friend.

There are so many voices in the world, but there is nothing more powerful than the perpetual, powerful voice of the Blood of Jesus. As you digest the words of this devotional on a daily basis, you will begin to hear the voice of Jesus' Blood cry out—honor instead of shame, innocence instead of guilt, righteousness instead of unrighteousness, freedom instead of addiction, exoneration instead of condemnation, approval instead of disapproval, health and wholeness instead of sickness and disease, prosperity and blessing instead of poverty and lack, worthiness instead of unworthiness, acceptance instead of rejection, and the list goes on.

Ginger Ziegler (my mom) so eloquently unpacks and unfolds the Scriptures and reveals outstanding treasures found in the Word of God pertaining to Jesus' Blood continuously speaking on your behalf. The confession and prayer at the end of each day activate what you've read. It is sure to open the door to freedom from things that have plagued you and many believers for generations.

Foreword

SECOND Corinthians 10:4 tells us that the weapons of our warfare are *mighty* through God for the dismantling of enemy strongholds. We have weapons because the warfare that satan launched against mankind in the garden still exists. God has given us weapons that Jesus proved to be more powerful than the combined efforts of all spiritual and natural forces. The challenge we have is not in the weapons we've been given, but in how to use them effectively. But in these end-time days, the Church cannot afford to be hampered by such ignorance. Too much is at stake.

While our weapons are many, the greatest of them are the Word of God, His Wonderful Name, and the Precious Blood of Jesus. Sadly, we know far too little about the power in His Blood. This lack of knowledge has handicapped the Church for most of its existence.

Thankfully, Ginger has given us a way to daily learn from the Word about the power that's in the Blood and how to apply it. The Blood as a weapon has been a major part of her life's focus. But it's her amazing prayer life that testifies of her skill in using this most powerful weapon. We are privileged to glean from her knowledge and experience in the brilliant format of a daily devotional. You will find yourself chewing on the bite-size revelations all day long.

Yet perhaps the greatest benefit is the unseen blessing of having Ginger's prayers activated on your behalf, for I have no doubt she has prayed and is praying over every reader. That along with the revelation knowledge on each page is worth far more than the price of the book or the time it takes to read it. Praise God and thank you, Ginger, for this treasure. It is marvelous in our eyes!

Preface

IN the early '90s the Lord showed me that in my latter years, hardships and difficulties would transpire not only in our nation but throughout the world. I wanted to publish a book that would help my precious family, as well as others, stand strong in the Lord.

It's my desire that this devotional impact readers in such a way that they are enabled to do exploits for the Lord and be fully equipped to fulfill God's will in these last days.

The writing of this book has been a very long journey. I first heard a series of messages in the late '80s on *The Blood Speaks*. The words from those sermons went deep into my heart. It was almost as if I memorized each word that was spoken because they were so real to me. After hearing about the power of the Blood through those sermons, as I traveled to different nations ministering, this was my main message during those years.

When I began this ministry in 1991, the Lord asked me to write a daily devotional on what I had learned and experienced during the prior years. Now, don't laugh when I tell you this story. I wrote the words to this book. Then I printed them out on an old dot matrix printer. I carefully cut each page and used staples and tape to "make my book." I stuck it in my back pocket and said, "Lord, tell me when to print it." Ha! So, I've carried this book around a

long time! It's time for it to be birthed because nations of people need this daily weapon to win!

While I was ministering in Cape Town, South Africa in the early '90s, the Lord revealed things which would eventually take place in our nation. He asked me to conduct prayer meetings where He would give us the ability to "hold back the sun and moon" like Joshua did to spare our nation from impending danger. I did just that. We've held untold prayer meetings for our nation. During those years, He also showed me how this book would be a help and blessing to many by teaching them how to stand strong against the devices of the devil in the coming days.

Has this been easy? No! I've fought many battles, alongside my prayer partners, to see this book come to fruition. The warfare has been tremendous, to put it mildly. The devil certainly didn't want people to have this weapon in their hands. Through the years, it has been edited and refined while waiting for such a time as this. That time is now. I know this daily devotional will help you stand strong and "win" in this lifetime!

May God's richest blessings of revelation and insight come to you continually as you pray, study His Word, and make your decrees.

Blessings in abundance and beyond,
Ginger

Introduction

THE truth about the Blood of Jesus speaking is one of the most powerful revelations you can receive from the Lord. It can mean the difference between life or death, victory or defeat, in every area of your life.

Like a roaring lion, the devil is roaming around seeking whom he may devour (1 Peter 5:8). He has been overcome by the power of Jesus' Blood and the word of your testimony. To enforce that authority and power effectively, you must understand the Blood of Jesus is not simply a silent, historical fact. The Blood of Jesus has the power to overcome anything and everything including satan himself on your behalf!

His Blood is a living reality. Every day the Blood of Jesus is speaking continually to you and for you. It truly is the Blood of sprinkling that speaks (1 Peter 1:2; Hebrews 12:24)! The revelation about what the Blood is saying has been helping God's people live as overcomers for more than 2,000 years. In recent times, the emphasis on the Blood of Jesus hasn't been as major as other teachings.

The Blood of Jesus is the foundation on which Christianity is based. Christians at times saw the Blood of Jesus primarily from an emotional perspective. The thought of it does little more than stir deep feelings within and remind them of the passion of Jesus.

on the cross. Such sentiments are precious as far as they go, but they don't go far enough.

The Blood of Jesus is more than an emotion-filled memory! It is the major weapon for everyday living. It's powerful and unique in its ability to rescue. It's absolutely effective in enforcing satan's defeat.

Years ago, I received a mandate from God: "Prepare My people for the days ahead through a daily study of the power in the Blood of Jesus." This book is my response to Him.

It was written with you in mind. Its purpose is to provide you with life-altering insights into the treasury of the riches of the glory of God's Grace, and to help you behold what has been provided for you through the shed Blood of our beloved Savior, Jesus Christ.

The daily devotional format is designed to fit into your busy schedule so you can conveniently and immediately put into practice what you learn.

To receive maximum benefit, you should consider reading this book out loud every day. Say each word slowly and thoughtfully. Believing always leads to speaking as it's the inevitable progression of faith. As you speak out loud what you believe, these truths will be reinforced, because faith comes by hearing and understanding the Word of God (Romans 10:17).

Jesus' Blood is the change agent. Speaking what the Word of God says will cause a very real change to take place inside you. You'll be permanently transformed from the inside out as you agree with the Word and with the Blood. Your potential in life will explode exponentially as you read and speak these truths over and over again.

Before you begin, determine in your heart to lay hold of the fact that the Blood is speaking for you and to you. Set your sights on

INTRODUCTION

getting stronger in that revelation each day so that you can use it effectively against the enemy. Satan already understands the legality of his defeat by the power of the Blood of Jesus. Once you fully understand it too, you'll be able to triumph legally against him. You'll be able to overcome even satan himself.

The time has come for all of us in the Church of Jesus Christ to stop playing defense in dealing with the devil. It's time for us to go on the offense! We can live in a continual place of victory over every onslaught of the enemy by acknowledging the victory that Jesus has already given us through the power of His Blood and His Name.

This is the day of the overcomer!

This is your time of victory!

Day 1

His Blood Speaks... Now

But you have come to Mount Zion and to the city of the living God, the heavenly Jerusalem, to an innumerable company of angels, to the general assembly and church of the firstborn who are registered in heaven, to God the Judge of all, to the spirits of just men made perfect, to Jesus the Mediator of the new covenant, and to the blood of sprinkling that speaks better things than that of Abel. See that you do not refuse Him who speaks. For if they did not escape who refused Him who spoke on earth, much more shall we not escape if we turn away from Him who speaks from heaven.

—Hebrews 12:22-25 NKJV

THESE verses from Hebrews provide the foundation for this entire book. They will encourage you causing your soul to prosper as you meditate on them. First, notice that they say that *right now*, in the present tense, “You have come to Jesus.” You are no longer separated from Him. Jesus has brought you to Himself through His Blood. The Blood gives you free access to Him at this very moment. It provides you with confident, immediate entrance into His Presence—*now!*

Also notice these verses say that the Blood “speaks.” That might sound strange to your natural mind, yet the Bible says it’s true.

How can *blood* speak?

It’s living tissue. “*The life of the flesh is in the blood*” (Leviticus 17:11). Blood can speak because it has life in it.

The first Scriptural record we have of blood speaking is in Genesis when Adam and Eve’s son, Abel, was murdered by his brother, Cain. Genesis 4:3-10 says after Abel was killed, his blood spoke from the ground and told the Lord something. It cried “vengeance!” Think about that. Abel’s blood had a voice. It actually talked and God heard what it said.

Now consider this: The Blood of Jesus is talking too!

As a believer, you have come to that Blood—the Blood of sprinkling that speaks *better* things than that of Abel. *Better* is a key word in the book of Hebrews. It appears there 12 times. It refers to something that is stronger, superior, more excellent, and nobler.

It’s wonderful to know the Blood of Jesus is saying better things about you. His Blood says Mercy!

Instead of crying out for vengeance like Abel’s blood, Jesus’ Blood cries for mercy, forgiveness, restoration, health, pardon,

justification, peace, cleansing, reconciliation, redemption, protection, eternal covenant, overcoming victory, and everything else you will ever need now and throughout eternity. Glory to God!

Here are some of the things the Blood has to say about you right now that you can agree with concerning your life:

- ♦ I am not guilty. There is no case pending against me in Heaven's court.
- ♦ I am redeemed, bought back, paid for in full.
- ♦ I am forgiven, just like I never sinned.
- ♦ I am washed clean, inside and out.
- ♦ I am justified and innocent, not guilty.
- ♦ I am reconciled to my Heavenly Father.
- ♦ I am sanctified, made holy.
- ♦ I have peace with God.
- ♦ I can fulfill His plan for my life. My destiny and purpose are intact.
- ♦ I am able to approach God with free access to ask for anything I want or need in accordance with His will and His Word.
- ♦ I have a covenant that is eternal. It lasts forever.
- ♦ I am protected.
- ♦ I am healed.
- ♦ I am prosperous.
- ♦ I am a vessel for His Glory.
- ♦ I am a victorious overcomer, even over satan himself.

Grab hold of this by faith now—because faith is always now—*right now!* You can come to Jesus at this very moment and experience the delivering power His Blood provides. His Blood is speaking all these things for you *now* (Hebrews 11:1).

This is the truth! Jesus' Blood has a voice. It's the Voice of Mercy. It speaks of the Covenant of Mercy. It's declaring that Covenant *for* you and *to* you now.

***Listen!* Can you hear His Voice through His Blood?**

Listen with your heart. His Blood is talking *to* you and *for* you. Close your eyes and speak what the Blood is saying.

Can you see it? Can you hear His Blood? Can you hear His Voice speaking to you?

Let it paint a picture inside. Believe what He's saying. Receive all the Blood has done and is doing for you at this very moment. Embrace this: Jesus' Blood is speaking loudly *to* me and *for* me.

Prayer and Confession

Heavenly Father, today I have come to Jesus, Your Son. This day, at this moment, I am in the presence of His Blood and it's speaking now. It's preaching a noble, more excellent, superior message—a message of mercy which all of the realms of existence can hear.

*Jesus, thank You for the life that is given to me through Your Blood, because the life is in the blood. I know Your very own life is speaking **for me, to me, and on my behalf.***

I proclaim Your Blood by faith today for my family, friends, loved ones, our nation, and myself. I set myself in agreement with the witness of the Spirit, the Word, and the Blood, because they agree that Jesus is Lord! They agree that I can overcome anything and everything by Your Blood. I am victorious through Jesus' Blood. He has made a way for me where there seems to be no way. I've found the way of life through Your Blood.

*Thank You, Father. Thank You, Jesus. Thank You, Holy Spirit. Father, I know my prayer is being heard and answered because You always hear what the Blood of Jesus has to say on my behalf. In Jesus' Name, I pray and believe I receive now—**today, at this moment**—all that the Blood has to offer to me and my family!*

Proclaim and Decree

I am redeemed. I am forgiven. I am reconciled to my Heavenly Father.
