

Creation
Do you know who made the world?
God made it all!
First, He said,
"Let there be light!"
And there was.

What did He make to light up the sky?

Moses

Once, a princess and her friends were playing by the river when they found something in the reeds.

Moses grew up when he noticed

Here is baby Moses in his basket.

One day he was out with his sheep and he heard it speak!

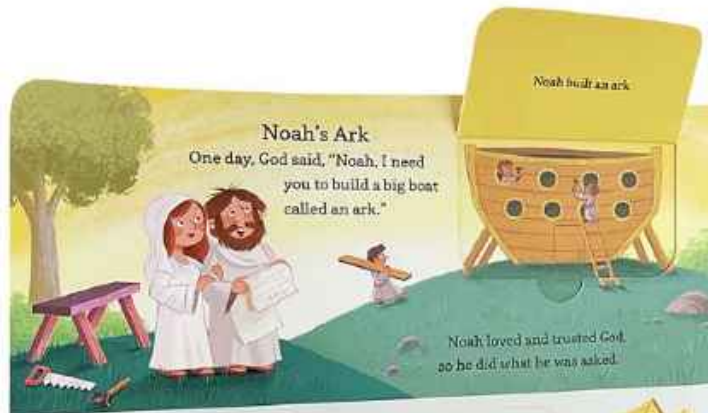

Moses led God's people to the Red Sea. Their new home was on the other side, but how would they get across?

"Moses, raise your staff," God said.

Moses raised his staff, and do you know what happened?

Noah's Ark

One day, God said, "Noah, I need you to build a big boat called an ark."

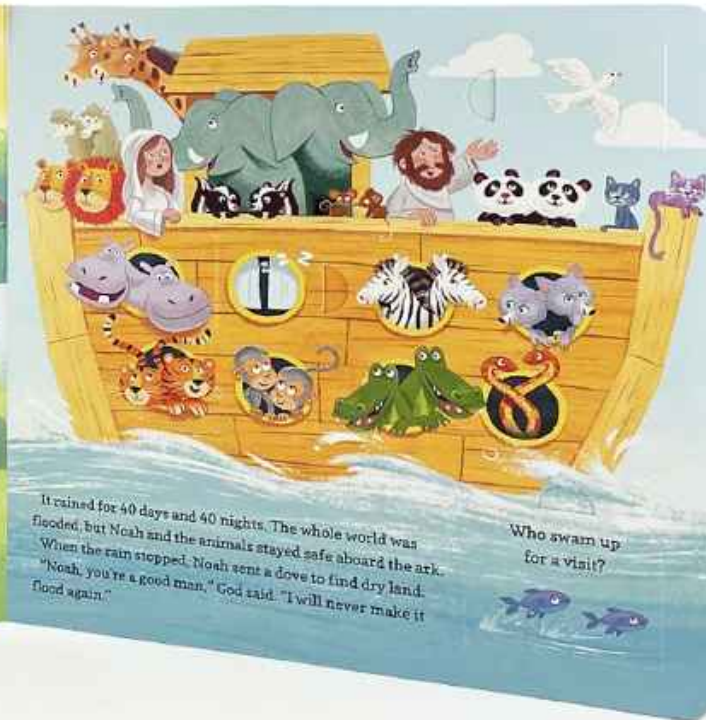

Noah loved and trusted God, so he did what he was asked.

Noah built an ark

The animals came two by two.

When the ark was finished, God said, "Noah, bring two of every kind of animal onto the ark." So Noah brought them all aboard.

It rained for 40 days and 40 nights. The whole world was flooded, but Noah and the animals stayed safe aboard the ark. When the rain stopped, Noah sent a dove to find dry land. "Noah, you're a good man," God said. "I will never make it flood again."

Who swam up for a visit?
