Jesus talked a lot about the life after this life – but he never once mentioned people sitting on clouds. Or eating pancakes.

The things he talked about were much more amazing things.

So, what's the TRUTH about heaven?!

A glowing, ethereal hand is shown holding two spheres. The upper sphere is a vibrant red with a shimmering, crystalline texture. The lower sphere is a deep blue with a similar shimmering texture. The hand is rendered in a soft, glowing white and blue light. The background is a dark blue grid pattern with a subtle starry or particle effect. Two yellow banners with black text are positioned above and below the hand.

First, Jesus said that one day heaven will be here.

When Jesus comes back to this world, he will bring heaven with him. Heaven and earth will join together.

Which means that the world will be perfect.

What's your favorite place in the world?
In the new earth, it'll be even better.
Nothing will get broken or go wrong.

We'll get to live in a new
CITY – the new Jerusalem,
a sparkling city where
Jesus has prepared a home
just for you.

Wow! And we
haven't even got
to the best thing
about the place we're
invited to. The best
thing will be...

A decorative border in white and light blue outlines surrounds the text. At the top, two angels with large, feathered wings are shown in flight, facing each other. The sides of the border feature vertical, swirling floral and leaf patterns. At the bottom, there are two lions on the left and right, and a central floral motif with a heart shape and radiating lines.

JESUS.

Jesus is the All-Time, Undisputed Lord and
Champion! He will rule with kindness and wisdom,
and everyone will bow down and happily shout,
“Jesus deserves to rule as King!”

And then everything will change, and all Jesus' friends will be together, and the eternal party will start!
